Independence Day

Also called the Fourth of July, Independence Day marks the historic date in 1776 when the Declaration of Independence was approved by the Continental Congress. The written declaration stated that the American colonies were tired of being ruled by Great Britain. They wanted to become their own country. Today we celebrate this occasion with cookouts and Fireworks!

Independence Day Fireworks

Lynn will hold it's annual firework display on July 3rd starting at 9 pm. We are fortunate that we are able to see them from the second floor porch. Extra chairs will be put out ahead of time for those who wish to attend.

Happy Independence Day!
