## MARCHING INTO SPRING

We are so lucky to have so much to look forward to this month. We have plenty of special days this month to celebrate! We'll play Take My Coins, and listen to the wonderful Roger Trembly play his accordion! Don't forget to join the party to celebrate St Patrick's Day! Easter fun will include a traditional egg hunt, Egg Decorating and an Easter craft. March 14th is "Learn Something About Butterflies Day," which we will observe on the 20th with our Annual Butterfly Craft Social.

3/31 Easter

## ST PATRICK'S DAY

St. Patrick's Day began in Ireland as a day of religious services and feasts to honor one of the patron saints of Ireland, Saint Patrick. It became a celebration of Irish culture when Irish Catholic Immigrants came to the US in the 1840's during the Great Potato Famine.

## LEARN SOMETHING ABOUT BUTTERFLIES DAY

Butterflies are a vital part of our ecosystem. They pollinate many of the crops we eat and the flowers we love to smell. On the 20th we will have our annual Butterfly Craft Social. Join us to put together an easy craft while we enjoy a treat and watch a butterfly habitat on the TV!

## DAYLIGHTS SAVINGS BEGINS

In the early hours of Sunday on March 10th Daylight Savings begins. We will spring ahead 1 hour! If you need any help with changing your clocks and watches, please let a staff member know. We are here and happy to help!

## EASTER

Easter comes a little early this year falling on the last day of march We will decorate real eggs and hunt for fake ones! The association with eggs began when the Easter Bunny was first introduced in the 1700s by German immigrants who brought over their tradition of an egg-laying hare named "Osterhase" or "Oschter Haws" from the Old Country. We will also have a special Easter Craft to look forward to.
