# SHORE VIEW NEWS

## AUGUST IS UPON US!

The summer is flying by! Before we know it, fall will be here, but we still have a whole month of glorious summer sun to enjoy!

July's scorching heat may have postponed our **Salem Willows** plans, but we had a wonderful lunch at **Andy's** instead! We will give **The Willows** another try this month!

We are looking forward to a visit from **Terry's Ice Cream Truck**, a trip to **Great Rock Farm** to snuggle goats, indulging in **Lobster Rolls**, and a **Watermelon Social** -- all on the books for this month!

8/6 Visit From **Terry's Ice Cream Truck**

## MORE FURRY FRIENDS!

Our trip to the **Kitty Cat Cafe** was so much fun! Thank you so much to owners **Uri and Cora** for making our visit such an amazing experience!

We will definitely return to the **Kitty Cat Cafe** in the future, this month we have another animal adventure planned! On **Wednesday August 7th** we are heading to Georgetown to play with some baby goats!

**Goats to Go**, located at **Great Rock Farm** in Georgetown, is a family run organization rents out their goats to eat weeds and poison ivy on farms and other properties. They also hold events like **Goat Yoga** and **Goat Snuggle** sessions. We are thrilled to attend a **Goat Snuggle** session of our own!

*We would like to thank the  
Lynn Classical Volleyball  
team for their wonderful  
visit!*

## IT'S ALL ABOUT COMMUNITY

For the last three years we have assembled **school supply bags** for the 1st grade class at **Lynn Woods Elementary**. This year we will gather to decorate and assemble these bags on the 27th! We are excited to share that we have all these supplies ready to roll!

In addition to this beloved tradition, we are embarking on **another community project**.

Believe it or not, in a few months the cold will arrive. While we are fortunate to have a warm home there are many in our community that do not. In November we will work with **My Brothers Table** to create toiletry supply bags for community members in need. We are also working with a local knitting group, **The Knotty Knitters**, who will hand make hats and scarves for us! Our goal is to make 100 bags that include things like handwarmers and basic hygiene supplies.

**Family and Friends of LHEP**, your generosity has always been a tremendous support to us and we are forever grateful for you. If you are able, we ask you to continue your generous spirit by helping us complete this project by purchasing something off our **Amazon wish-list here**: <https://amzn.to/4fkLQJ>
