How loved are we?!

As the 2024 Holiday Season comes to a close, we are reflecting on how **blessed** we are. Particularly by the outpouring of love and support from our community. We are deeply grateful for the generosity through the last year. All of your kindness and compassion means more than words can express.

Our deepest gratitude to **The Hopkins Family** for hosting a Christmas Sing Along, **Santa, Mrs. Powers, and the parents from Lynn Woods Elementary** for bringing their kids to visit and do a craft with us, **Rebecca and Don** for baking a million gingerbread men and providing all the embellishments for us to decorate, **Santa, Mrs. Claus and Elfie** for dropping by our Annual Christmas Party with gifts for all, to **all the families that made donations to our activities fund**, and to **all who have delivered cards or other holiday treats to us!**

Thank you all for everything you do for us!
We are so beyond appreciative!

A Call to Artists

We will share more details in the coming months but if you have any artwork that you're proud of please see **Sue or Chelsea!** We would love to feature any paintings, embroidery, photography, sculptures, even poems or more! **If you created it please bring it on down to activities!**
