April Showers

We may see a lot of rain this month but that won't slow us down! **Soon enough trees will bud, flowers will bloom, and we'll be breathing in the fresh spring air!**

While the rain may keep us inside just a little bit longer there is plenty of joy to be had!

To celebrate **Opening Day at Fenway** we'll have a **Red Sox Themed Lunch** on the 4th!

We'll get out to dinner at **Friendly's**, shopping at **Walmart**, and take trips to the **Peabody Essex Museum** and **Lynn Woods School!**

Easter celebrations include our annual **Egg Hunt**. We'll also dye **Easter Eggs** for everyone to enjoy **Easter Morning!**

“April is the sweetest month of the year, the mellow season of rebirth and renewal.”

— Mary Sojourner

April Fools!

April first is commonly known as April Fools Day! It's believed to have started in 1500's France when they switched from the Julian Calendar, which starting on April 1st, to the Gregorian Calendar, beginning on January 1st. Communication at that time was much more limited than it is today and some didn't get the message! They were considered April Fools for continuing to celebrate New Years on April 1st.

From there the tradition of telling April Fools jokes has continued and evolved to include pranks over the last 500 or so years! Have you ever played an April Fools joke on anyone? Has anyone played one on you?

Last Call!
