# Kindness Matters!

Tuesday, February 17<sup>th</sup> is **Random Act Of Kindness Day!** with origins dating back to around the 1980s, **Random Act Of Kindness Day** is meant to inspire us to take a few minutes to do something **kind** for someone else.

**Kindness** is both **contagious and healing**. Your **random act of kindness** may **inspire** the recipient to pay it forward creating a **chain reaction of kind acts**. We never know what anyone else is carrying and **with a little effort** your **act of kindness** could **brighten the day** of someone who really **needs it!**

**Random Acts of Kindness** you could try include:

1. Inviting someone to join you for a cup of coffee.
2. Making someone a handmade card.
3. Asking someone if they would like to take a walk.
4. Or asking if they need a hug!
5. Spending a few minutes to listen to someone talk!

**What Random Act Of Kindness** can you commit to to **brighten someones day?**

*Love is the whole thing. We are only the pieces.*
