

SHORE VIEW NEWS

March 2026

THERE'S A SPRING IN OUR STEPS!

Spring is marching in with so many reasons to celebrate!

To kick off St Patrick's Day join us to hunt for Leprechauns! Get into the spirit with our St. Patricks craft. Roger Trembley will drop in with his accordion to play us a few Irish tunes. To cap it off we'll have our annual St. Patricks Day Party!

To welcome Spring we'll head out on an ice cream ride! Then flutter on by for the annual Butterfly Craft Social!

Easter is hopping along early this year! Try to catch it with our Easter Bunny Hunt! Help us make Easter goodies for our Lynn Woods Buddies and join us for an Easter Craft! Keep an eye out the last two weeks for our Easter Egg hunt!

Coffee House also makes a return this month along with a couple of Happy Hours!

3/4 Coffee House

"Springtime is the
land awakening.
The March winds are
the morning yawn."
— LEWIS GRIZZARD

DAYLIGHT SAVINGS

Daylights Savings Time starts again this month! Go to bed a little early on Saturday March 7th as we will lose an hour overnight when the clocks "Spring Ahead!" Residents, if you need any help changing your clocks over please ask any staff member! We are happy to assist!

RESIDENT SPOTLIGHT: MARCIA

Marcia grew up in North Adams, raised by an older sister after losing both parents at a young age. She was married to Donald, a multiple record holding fisherman for 71 years! They had a crew of 7 kids, 3 girls and 4 boys including 2 adopted sons, and a bunch of grandkids and great grandkids. Marcia had a career with the telephone company. When she retired she took on a job at a toy store in Martha's Vineyard where, what she refers to as her claim to fame, she "tingled" Ted Danson! Danson then bought 8 Tingler Head Massagers from her! Marcia joined us here at Shore View with her husband a few years ago and often says "I love people!" This love drives her to stay social, attending almost every activity offered. She loves to keep busy and can always be found making pot holders, coloring, or working on a puzzle. Marcia also always looks for ways to help others, including volunteering in our resident store twice a week!
